1. Corrosion, frost, salt, hail, windstorms, lightning, airborne fallout, (e.g. chemicals, tree sap, bird droppings, etc), water submersion, water immersion or flooding.
2. **Wear and tear**, regardless of mileage.
3. Faulty repairs, incorrect servicing or failure to have the covered vehicle serviced in accordance with the manufacturer's specification. If you fail to have the covered vehicle serviced in accordance with the manufacturer's specification, cover will still apply for components, which are not connected to vehicle servicing.
4. Lack of oil, fuel, lubricants, hydraulic fluids or additives; or foreign matter entering the fuel, cooling, air conditioning or lubrication systems; or use of oil, fuel, lubricants, hydraulic fluids or additives, which the manufacturer of the **covered vehicle** does not recommend.
5. Vehicles modified in any way from the original manufacturer's specification.
6. Any loss where the speedometer has been tampered with, altered, disconnected or where the mileage of the **covered vehicle** cannot be verified; or where **you** or anyone else acting on **your** behalf acts in a way that prevents **us** from exercising our right to inspect the **covered vehicle** under this cover.
7. Damage or failure caused by an excluded component.
8. If the vehicle has been used for competitions of any kind, racing, pacemaking, rallies, off-road use including track days, for any form of hire or reward and usage for or by driving schools.
9. Losses or damage due in any way to any type of accident, misuse or any act or omission which is wilful, unlawful or negligent.
10. Any component which is subject to recall by the manufacturer.
11. **Electrical or mechanical failure** that happens outside the area of cover.
12. Cleaning, polishing, operations performed under normal maintenance, adjustments, modifications, alteration, tampering, disconnection, improper adjustments or repairs.
13. **We** will not pay for any damage to parts caused by **consequential failure** exceeding £5,000 per claim inclusive of VAT.
14. **We** will not pay for any depreciation to **your covered vehicle**, loss of earnings, death or bodily injury, damage to property or any other loss or damage which is a direct or indirect result of the failure of a covered item.
15. As **your** Warranty is intended to cover the repair and/or replacement of defective or damaged parts, it does not additionally cover losses that may be caused by that defective or damaged part, unless otherwise stated in the Warranty terms and conditions. For example, **your** Warranty may cover repairs to or replacement of a wheel bearing but would not cover any loss of earnings that **you** may suffer while **your covered vehicle** is being repaired.
16. **You** should check whether **you** have any other insurance policies that may cover additional damage or related costs or losses not covered by this cover.
17. Ionising radiation or radioactive contamination from any nuclear fuel or the nuclear waste arising from burning nuclear fuel.

How to make a Warranty claim

Claims must be submitted through the VWFS Warranty system. For full details, please visit www.vwfsinsuranceportal.co.uk and download the 'Guide - How to make a Warranty or MOT claim'.

We will not pay for any diagnostic costs, other than the reasonable costs of diagnosis should a claim for a defective component be valid under this cover.

We reserve the right to examine the **covered vehicle** and to subject it to expert assessment in order to determine if **your** claim is covered and how much **we** will pay for repairs. If you or anyone acting on **your** behalf acts in a way which prevents **us** from being able to determine the cause of failure by inspecting the **covered vehicle** or defective components, then **we** may not pay all or any part of **your** claim.

You can only submit a claim against an **Audi Priority Purchase Warranty** that has been activated by an Audi Centre affiliated to the group that purchased the vehicle.
