# What is Volkswagen Commercial Vehicle Gap Insurance?

## **Protection for you against a financial shortfall.**

If your Volkswagen Commercial Vehicle is written off, your motor insurer will usually pay out based on its current market value. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new Volkswagen Commercial Vehicle or help pay off any outstanding finance, lease or hire agreement.

Volkswagen Commercial Vehicle Gap Insurance can be purchased up to 100 days after you have collected your new or used vehicle.

We have two options for you to choose from:

### **Volkswagen Commercial Vehicle Gap Insurance**

This pays the difference between the write off settlement from your motor insurer and the price you paid for your Volkswagen Commercial Vehicle or the outstanding balance payable to the finance company, whichever is the greater amount.

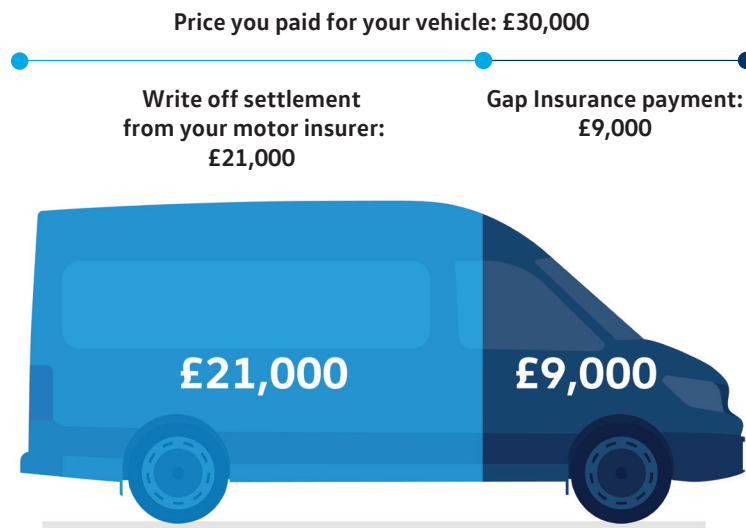

If your vehicle is leased or hired, we will cover the difference between the write off settlement from your motor insurer and the early termination charge. This includes any rentals paid in advance as a deposit up to £2,000.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

### **Volkswagen Commercial Vehicle Gap Insurance Plus**

In addition to all the benefits of Volkswagen Commercial Vehicle Gap Insurance, the Volkswagen Commercial Vehicle Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written off during the additional 12-month fixed benefit period of insurance, we will pay a fixed sum of £2,500.

In the above example, you could receive a £9,000 payment that you could use towards the purchase of a new Volkswagen Commercial Vehicle.

### Transparent pricing

The benefit level and cost of Volkswagen Commercial Vehicle Gap Insurance and Volkswagen Commercial Vehicle Gap Insurance Plus will depend on the price of your new or used vehicle.
