Conditions of your Ensurance policy

Important notice

Ensurance is designed to work alongside your comprehensive motor insurance policy. In order to benefit from the services and cover provided by Ensurance, you must have a valid motor insurance policy in force at the date of the loss and that policy must provide cover for the damage or loss that has occurred to your vehicle.

The repairs to your vehicle that we arrange on your behalf must be authorised by your motor insurer. Where you were not at fault and there is a traceable third party motor insurer for the other vehicle(s) involved in the incident, we may at our discretion request that the third party insurer authorises the repairs directly.

You will need to pay any policy excesses that you are responsible for in accordance with the terms and conditions of your motor insurance policy.

We will pay the **legal costs and expenses** for legal proceedings started on **your** behalf as a result of any road accident which results in the following:

- › loss or damage to **your vehicle**
- › loss or damage to any personal property owned by **you** whilst the property is in/on or attached to **your vehicle** or
- › the death of or injury to **you** whilst in or getting into or out of **your vehicle**
- › the maximum sum payable under the legal expenses section of this policy is £50,000.

Specific conditions relating to Section 2 – Legal expenses

These conditions relate to the legal expenses section of cover only.

We will provide this cover as long as:

- › the road accident happened within the **geographical limits**
- › the claim will be decided by a court within the **geographical limits** or
- › there are **reasonable prospects** of recovering sustained losses from an identifiable party.

If **you** are awarded costs, **you** must use these to repay the amount **we** have paid out on **your** behalf in connection with the proceedings.

We will pay all **legal costs and expenses** (up to the **legal expenses limit of indemnity**) when **you** receive no costs or compensation. If the **legal costs and expenses** are greater than the amount **you** are awarded for those costs and expenses, **we** will pay the extra amount (up to the **legal expenses limit of indemnity**). The most **we** will pay for all claims arising from any one event is the **legal expenses limit of indemnity**.

Your representation

We can take over, and carry out in **your** name, action to take or defend any claims. We will have complete control over how legal proceedings are carried out. Pre-issue of legal proceedings, a **solicitor** from **our** panel will be appointed. We will appoint **solicitors** to act on **your** behalf to prosecute, defend or settle any claim accepted under the terms of this policy.

Should legal proceedings need to be issued, **you** do not have to accept the **solicitor** we have chosen. If **you** cannot agree a suitable **solicitor** with **us**, **you** can refer **your** choice of **solicitor** to arbitration in line with the conditions of this policy. **You** must let **us** know in writing about the full name and address of a **solicitor** who **you** want to act for **you**. If there is a dispute about the choice of **solicitor**, **we** will choose one whilst arbitration takes place. If **we** are insuring two or more people for one claim, **you** may choose **solicitors** and send their name and address to **us** before **we** agree to pay any **legal costs and expenses**.

In choosing **your solicitor**, **you** must try and keep the cost of any legal proceedings as low as possible. Before **we** accept **your** choice of a **solicitor**, or if **you** fail to choose a **solicitor**, **we** will be entitled to instruct a **solicitor** on **your** behalf.

- › **You** must give us any information and evidence **we** need (**you** will have to pay any costs involved in this). **You** must not do anything to affect **your** case.
- › **We** will, with **your** prior consent, make **our** own investigation into the case, and may, subject to **your** final approval (such prior consent or final approval not to be unreasonably withheld), attempt to reach a settlement.
- › Where the uninsured loss does not exceed the current level of the Small Claims Court and is not in respect of a claim for damages for personal injury, **we** may investigate the circumstances of the claim and attempt to obtain settlement with **your** prior consent (such prior consent not to be unreasonably withheld). **We** shall not be liable to provide

representation on **your** behalf at any court proceedings where the amount involved in respect of the uninsured loss does not exceed the current level of the Small Claims Court.

- › **We** reserve the right to provide representation in the Small Claims Court if **we** consider that it is appropriate in all the circumstances of the case for there to be such representation.
- › **We** shall have direct access to the **solicitor** at all times and **you** shall co-operate fully with **us** in all respects and shall keep **us** fully and continually informed of all material developments in the legal representation of proceedings.
 - At **our** request **you** shall instruct the **solicitor** to produce to **us** any documents, information or advice in their possession and further shall give them such other instructions in relation to the conduct of their claim as **we** may require.
- › **Our** written consent must be obtained prior to the:
 - instruction of Counsel to appear before a Court (or tribunal) before which a **solicitor** has a right of audience
 - instruction of King's Counsel
 - incurring of unusual experts fees or unusual disbursements
 - making of an appeal.
- › **Legal costs and expenses** payable are to be in no way affected by any agreement undertaking or promise made or given by **you** to the **solicitor**, witness expert or any **claims adjuster**.
- › **You** must co-operate fully with **us**, **claims adjuster** or **solicitor**.
- › **You** or the **solicitor** shall inform us immediately in writing of any offer pursuant to Part 36 of the Civil Procedure Rules made with a view to settling the claim and no agreement is to be made to settle on the basis of both sides paying their own costs without **our** prior approval.

Section 2

Legal expenses (continued)

- If any offer pursuant to Part 36 of the Civil Procedure Rules is not accepted by **you** against **our** advice, but the amount thereof is equal to or in excess of the total damage eventually recovered, **we** shall have no liability in respect of any further **legal costs and expenses** or opponent's civil costs.
- At **our** request **you** will require the **solicitor** to have the **legal costs and expenses** taxed, assessed or audited by the relevant authority.
- If for any reason the **solicitor** refuses to continue to act for **you** or if **you** withdraw **your** claim from the **solicitor**, **our** liability will cease forthwith unless **we** agree to the appointment of an alternative **solicitor** to continue with the claim pursuant to the procedure contained in terms and conditions of this policy, but **we** shall have no liability to meet the **additional legal costs and expenses** arising solely as a result of the appointment of a new **solicitor**.

➤ Disputes relating specifically to legal representation

A dispute between **you** and **us** may arise, which may be referred to an arbitrator, who shall be either a **solicitor** or a barrister who **you** and **we** agree on in writing. If an arbitrator cannot be agreed, then an arbitrator will be appointed by the authorised body identified in the current arbitration legislation. The decision of the arbitration shall be final and binding on both parties and he or she will decide who should pay the costs of the arbitration. If costs are awarded against **you**, they are not covered under this policy. This arbitration condition does not affect **your** rights to take separate legal action.

If a disputed claim is not referred to arbitration within 12 months of **your** claim being turned down, **we** will treat the claim as abandoned.

Specific exclusions relating to Section 2 – Legal expenses

These exclusions relate to the legal expenses section of cover only.

We will not pay **legal costs and expenses** for legal proceedings in the following circumstances:

- if the estimated value of any damages for the injury **you** have suffered does not exceed the **Small claims limit**
- if **we** consider that **you** will not get a reasonable settlement or if any expected settlement is small compared to the time and expense involved
- if **we** have not agreed in writing to the **legal costs and expenses**
- claims which related to fines and penalties awarded against **you** by a criminal court
- if **you** withdraw from legal proceedings without **our** agreement

- **legal costs and expenses** where predictable costs have already been recovered by the **solicitor**
- where **your** claim does not have **reasonable prospects** of success
- for claims which arise from a criminal act or omission
- for applications for judicial review or in respect of the Human Rights Act or proceedings forming part of a group or multi-party action
- any claims which did not occur during the **Period of insurance**
- where **you** without a good reason instruct the **solicitor** instructed to act on **your** behalf to cease acting on **your** behalf or representing **you**
