What is Audi Gap Insurance?

Protection for you against a financial shortfall

If your Audi is written off, your motor insurer will usually pay out based on the current market value of your vehicle. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new Audi or help pay off any outstanding finance, lease or hire agreement.

Audi Gap Insurance can be purchased up to 100 days after you have collected your new or used vehicle.

We have two options for you to choose from:

Audi Gap Insurance

This pays the difference between the write off settlement from your motor insurer and the price you paid for your Audi or the outstanding balance payable to the finance company, whichever is the greater amount.

If your vehicle is leased or hired, we will cover the difference between the write off settlement from your motor insurer and the early termination charge. This includes any rentals paid in advance as a deposit.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

Price you paid for your vehicle: £30,000

Write off settlement from your motor insurer:

£21,000

Gap Insurance payment:

£9,000

In the above example, you could receive a £9,000 payment that you could use towards the purchase of a new Audi.

Audi Gap Insurance Plus

In addition to all the benefits of Audi Gap Insurance, the Audi Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written off during the additional 12-month fixed benefit period of insurance, we will pay a fixed sum of £2,500 for vehicles with a purchase price of up to £20,000 or £5,000 for vehicles with a purchase price of £20,001 or over.

Why choose us?

Audi Gap Insurance gives you the financial protection your Audi deserves. So you can relax knowing that if you need to make a claim, we could help you get back into a replacement Audi.
