ALL COMPONENT TERMS AND CONDITIONS – WHAT YOU NEED TO KNOW

- The Warranty is valid in the United Kingdom and for up to 60 days per year in Continental Europe (Andorra, Austria, Belgium, Bulgaria, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Gibraltar, Greece, Hungary, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Monaco, Netherlands, Norway, Poland, Portugal, Republic of Ireland, Romania, San Marino, Slovakia, Slovenia, Spain, Sweden, Switzerland and Vatican City)
- There is no mileage limitation on the car while the Warranty is in place
- **Servicing for CUPRA vehicles:**
Servicing must be carried out in accordance with the vehicle manufacturer recommendations. Genuine CUPRA parts, oils and other fluids, or parts, oils and other fluids of equivalent specification and matching quality must be used. Failure to comply with this condition will result in a claim being rejected. If you fail to have the covered vehicle serviced in accordance with the manufacturer's specification, cover will still apply for components which are not connected to vehicle servicing
- **Servicing for non-CUPRA vehicles:**
Servicing must be carried out in accordance with vehicle manufacturer recommendations. Genuine brand parts, oils and other fluids, or parts, oils and other fluids of equivalent specification and matching quality must be used. Failure to comply with this condition will result in a claim being rejected. If you fail to have the covered vehicle serviced in accordance with the manufacturer's specification, cover will still apply for components which are not connected to vehicle servicing
- You must keep all servicing receipts and invoices
- Failure to keep your car serviced in accordance with the manufacturer's service schedule will void the Warranty
- The total value of the repair work completed during the period is limited to the purchase price of the car
- The cost of any investigation work can only be authorised by the vehicle owner, who will remain responsible for meeting that cost in the event that the repair is not covered by the Warranty
- We will only replace drive belts, filters, lubricants, antifreeze and fluids if damage or loss is caused by the failure of a covered part
- We will pay for damage caused to a covered part if caused by another covered part
- We will not pay for any damage to

parts not covered by this Warranty even if the damage is caused by a covered part

- We will not pay for any depreciation to your vehicle, loss of earnings, death or bodily injury, damage to property or any other loss or damage which is a direct or indirect result of the failure of a covered item
- We will not pay for any diagnostic costs, other than the reasonable costs of diagnosis should a claim for a defective component be valid under this cover
- As your Warranty is intended to cover the repair and/or replacement of defective or damaged parts, it does not additionally cover losses that may be caused by that defective or damaged part, unless otherwise stated in the Warranty terms and conditions. For example, your Warranty may cover repairs to or replacement of a wheel bearing but would not cover any loss of earnings

that you may suffer while your vehicle is being repaired

- You should check whether you have any insurance policies that may cover additional damage or related costs or losses not covered by this Warranty
- Failure caused by deterioration of a covered part commensurate with its age and mileage is not covered. This includes, but is not limited to, gradual loss of engine compression requiring the repair of valves or rings and the gradual increase in the oil consumption due to normal operating functions. This Warranty will not pay for deterioration of this type
- If the fault causing the part failure existed before the Warranty came into effect, the Warranty will not pay for that repair
- The car must not be used for hire or reward, commercial use, professional instruction, competition or off-road use, motor rally, speed or duration tests or any practice for these events

- CUPRA Approved Warranty reserve the right to have the vehicle inspected by an independent engineer prior to any work being carried out
