## Roadside assistance

If **you** are stranded on a public highway (or other accessible road or area to which the public has the right of access) as a result of a **breakdown** to **your vehicle**, **we** will arrange for a **contractor** to assist **you** who will try to repair the **vehicle** at the roadside. Roadside includes labour at the scene of the **breakdown** but not labour at any garage to which the **vehicle** is taken.

If the **vehicle** cannot be repaired at the roadside, or if repairs are unwise, **we** will arrange for the **vehicle** and up to eight people to be taken to an **Approved Repairer**. If **you** wish the **vehicle** to be taken to any other destination, **we** will use reasonable endeavours to assist if **you** pay for the towage costs for the whole distance.

If **you** cannot readily get to the **vehicle**, **we** will arrange, if practicable, to have it towed to a place of safety and stored until **you** can collect it. 4. Storage charges for the **vehicle** while awaiting repair or repatriation up to £100, such assistance to be provided in **our** absolute discretion; and
5. The cost of wheel changes but not for replacement tyres, such assistance to be provided at **our** absolute discretion.

SEAT Roadside Assistance is not available for:

1. Any labour costs other than those incurred at the roadside. **We** will not pay labour costs at any garage to which the **vehicle** is taken other than under paragraph 3; or
2. Repair costs, including labour, if the **vehicle** was in an **accident**, damaged by fire or stolen or is considered uneconomical to repair; or
3. The cost of parts used for roadside or garage repairs; or
4. The cost of any repairs not directly necessary to enable the **vehicle** to continue the journey on the date of the **breakdown**; or
5. The cost of any other supplies, including but not limited to **specialist equipment**. If **we** cannot arrange the repair of the **vehicle** within 12 hours of being notified of a **breakdown**, **we** may in **our** absolute discretion arrange and cover the costs of:

**a. Additional accommodation expenses**

A contribution of up to £60 per person per day towards necessary additional (not alternative) accommodation expenses (room only) while **you** wait for the **vehicle** to be repaired, providing the appropriate SEAT Roadside Assistance control centre can confirm repairs will take more than 12 hours, or if it is to be repatriated to the **United Kingdom**.

6. The costs of meals, drinks or any other costs.  
or
7. Journey continuation or return **home** if the appropriate SEAT Roadside Assistance control centre can confirm repairs to the **vehicle** will take more than 12 hours, or if the **vehicle** is to be repatriated to the **United Kingdom**, we may, in **our** absolute discretion, make a contribution to travel expenses to allow **you** to either:
  - i. continue the planned journey during the period the **vehicle** is not roadworthy; or
  - ii. return **home** by direct route

Expenses can comprise self-drive car hire up to a maximum of £750 including collision damage waiver (see “Important self-drive hire car information”) and replacement Green Card as necessary, or second/ standard class rail, or a combination of both.

SEAT Roadside Assistance will in its reasonable discretion decide which course of action to adopt, but SEAT Roadside Assistance will take into consideration **your** preference.

**You** must collect the **vehicle** when repaired as once the **vehicle** is repaired and **you** have been notified, SEAT Roadside Assistance will not pay any further expenses other than the costs of collection.

This benefit may also, at **our** absolute discretion, be available if the **vehicle** is stolen and not recovered within 24 hours of reporting the matter to the police. A police report must be obtained. However, this benefit will cease if and when the **vehicle** is recovered in a roadworthy condition.

SEAT Roadside Assistance is not available for:

1. Fuel, oil, personal insurance, any collection charge if a hire car is left at a different location to that arranged or any other costs in connection with a self-drive hire car.
2. The cost of any car hire beyond the period agreed with the Volkswagen Group European Roadside Assistance centre.
3. Any car hire expenses after the **vehicle** is repaired except for the direct journey to return and collect it.
4. First-class rail fares.
5. Any costs under this benefit if they are for a service **you** used at the same time as the above section "Additional accommodation expenses".
6. International drop charges where a vehicle hired from abroad is dropped within the UK.
7. The costs of hiring a motorcycle.
8. Any hire costs not arranged through SEAT Roadside Assistance or agreed by SEAT Roadside Assistance.

If SEAT Roadside Assistance confirms that repairs cannot be completed by **your** planned return date to the **United Kingdom** and providing the cost of repatriation is not uneconomical, assistance may, in **our** absolute discretion, be available for either:

#### **(a) Vehicle repatriation to the United Kingdom**

The cost of taking the **vehicle** by a road transporter from abroad to **your home** or chosen UK repairer for repair in the UK. When repatriation is authorised, it normally takes 10-14 working days for delivery to a UK address from most West European countries. At busy times and from east European countries it may take longer. If the **vehicle** has been fitted with a roof box or bicycle rack, **you** must remove and place it inside the **vehicle**. The roof box keys need to be left with the **vehicle** keys.

SEAT Roadside Assistance is not available for:

1. Any repatriation not authorised by the Appropriate Volkswagen Group European Roadside Assistance centre.
2. The cost of repatriation if this is uneconomical. Repatriation will be uneconomical if it will cost more than the UK market value of the **vehicle** according to Glass's Guide.
3. Repatriation if the **vehicle** is roadworthy.
4. Any **vehicle** being repatriated if Customs in any country finds its contents are breaking the law.
5. Any further costs in connection with the **vehicle** once declared a write-off by **us**.

or

#### **(b) Collection of vehicle left abroad for repair**

SEAT Roadside Assistance is available for the following costs for one person to collect the **vehicle**, repaired abroad after **breakdown** subject to an overall limit of £600:

1. Standard/second class rail fare plus other public transport fares which are necessary to reach the place of collection.
2. Additional homeward cross-channel ferry or rail fare for the repaired **vehicle** (calculated by taking the actual fare less the value of any unused homeward portion of **your** original cross-channel ticket).
3. Up to £60 per night for single room hotel accommodation necessary to complete the round trip – limited to room only.

SEAT Roadside Assistance is not available for:

1. First class rail fares.
2. The cost of any meals.
3. The costs of more than one person.

Note: The appropriate Volkswagen Group European Roadside Assistance centre will make the sole decision whether **your vehicle** should be repaired abroad for **you** (or someone nominated by **you**) to return and collect. When **you** are advised the **vehicle** is repaired and ready for collection **you** must immediately notify the Volkswagen Group European Roadside Assistance centre by telephoning the 24-hour helpline: 00800 1330 3939.

## Authority for repatriation or repair

If the **vehicle** is not able to be driven due to an **accident**, fire, break-in or theft, any damage which **you** are entitled to have repaired by **your** motor insurers must be reported to them immediately. **Your** insurers must decide whether to declare the **vehicle** as a write-off, authorise repair abroad or have the **vehicle** repatriated. **We** cannot repatriate the **vehicle** unless **your** insurers first give their permission. Any repatriation after an **accident** is at **our** absolute discretion.

SEAT Roadside Assistance also reserve the right to negotiate with them to reclaim costs incurred. If **your** insurers cannot or do not give permission to repatriate then it is SEAT Roadside Assistance's decision alone whether to declare the **vehicle** as a write-off, or repatriate or repair locally a **vehicle** which cannot be driven as a result of a **breakdown**, or as a result of an accident, fire or theft, for which **you** do not have fully comprehensive cover.

## Additional Services

SEAT Roadside Assistance may in **our** absolute discretion provide the following if applicable:  
Spare Parts Dispatch – if, as a result of a **breakdown**, the **vehicle** needs parts but

these are unavailable locally **we** will, in **our** absolute discretion, pay for:

1. Freight, handling and ancillary charges for dispatch of spare parts not obtainable locally.
2. The fare for one person to collect parts from the appropriate railway station or airport.

SEAT Roadside Assistance is not available for:

1. The cost of parts themselves, which must be paid on receipt. When telephoning the Volkswagen Group European Roadside Assistance centre, **you** will be asked for **your** credit card details. Alternatively, **you** will be asked to pay for the part(s) directly to the repairer.

## Vehicle break-in, emergency repairs

In the event of damage to windows, windscreens or locks caused solely by forcible entry, or attempted forcible entry, **you** MUST report the matter to the police before contacting **us** or within 24 hours of contacting **us**, and MUST obtain a written report from the police. **We** may, in **our** absolute discretion, treat the **vehicle** as if a **breakdown** had occurred meaning that **you** will be entitled to all of the services set out in this document except repatriation of the **vehicle**.

SEAT Roadside Assistance is not available for:

1. Any costs if **you** do not obtain a police report and submit it to **us** within 14 days of request.
2. Repatriation benefits as described under the section entitled "Vehicle Repatriation to the United Kingdom".

## Accidental damage to or loss of tent

**We** may, in **our** absolute discretion, provide a contribution of up to £30 to accommodation expenses if, during the **period of eligibility**, **you** are camping and **your** tent is damaged accidentally making it unusable, or it is stolen. Alternatively, **we** may in **our** absolute discretion authorise the cost of a replacement tent. If **your** tent is stolen, **you** must report the theft to the police as soon as reasonably possible and obtain a written report.

SEAT Roadside Assistance does not extend to:

1. The cost of meals or any other costs.
2. Damage caused by weather conditions.
3. The cost of a replacement tent not authorised by us.
4. Any costs if your tent was stolen and you do not report the theft to the police as soon as reasonably possible and obtain a written report.

## Urgent message relay service

**We** may in **our** absolute discretion pay for the cost of relaying urgent messages from the appropriate Volkswagen Group European Roadside Assistance centre to **your** immediate relatives or close business associates if the **vehicle** cannot be driven because of **breakdown**, **accident** or fire or it is stolen. SEAT Roadside Assistance does not provide assistance with:

1. Non-urgent messages or messages to persons not described in the previous paragraph.
2. The cost of relaying any urgent message not arranged through the appropriate SEAT Roadside Assistance control centre.

## Replacement driver

**We** may in **our** absolute discretion arrange and cover the costs of

1. a replacement driver to drive the vehicle and your party to your destination or home, if a registered doctor declares you medically unfit to drive and you are the only qualified driver.

A replacement driver will not be arranged if there is another qualified driver in **the party** who is fit to drive. Replacement drivers are limited to one per journey abroad.

# Requirements and limitations.

## A. Service in the UK and Abroad

### Credit card details

**We** will require **your** credit card details if **we** agree to arrange a service for **you** which does not form part of SEAT Roadside Assistance or exceeds the limits set out in this document. If **you** do not provide SEAT Roadside Assistance with **your** credit card details, SEAT Roadside Assistance will not be able to provide certain services which will be notified to **you** when credit card details are requested.

### Caravans and trailers

The **vehicle** restrictions apply equally to caravans and trailers except that the maximum length of trailers and/or caravans must not exceed 7m. If the **vehicle** which has suffered a **breakdown** is towing a caravan or trailer and **we** provide recovery, the caravan or trailer will be recovered together with the **vehicle** to a single destination. Other than as set out in this paragraph, caravans and trailers are not eligible to receive SEAT Roadside Assistance. **We** do our best to find solutions to motoring problems, but **we** regret **we** cannot arrange a replacement caravan or trailer in the event of **breakdown** or **accident** damage which cannot be repaired. It is also virtually impossible to hire **vehicles** with tow bars and it may become necessary to repatriate a caravan or trailer together with a towing **vehicle** which cannot be repaired abroad by the return date.

### Unforeseeable losses or events

Except in relation to any claim **you** may have for death or personal injury or for fraud or fraudulent misrepresentation, neither **we** nor **our contractors** will be liable for any increased costs or expenses or any loss, damage, cost or expense incurred as a result of, or in connection with, SEAT Roadside Assistance that is not reasonably foreseeable, including loss of profit, business, contracts, revenue or anticipated savings, or for any business losses.

**We** do not guarantee the provision of any of the benefits under this document, if there is anything beyond **our** reasonable control (for example storm, flood, severe weather, severe road traffic congestion, natural disaster, terrorist attack, war, strikes) or the reasonable control of any service provider which prevents **us** or a service provider from providing that benefit. Where such an event occurs, **our** obligations under SEAT Roadside Assistance will be suspended and the time for performance of **our** obligations will be extended for the duration of the event outside **our** control. Benefits may be refused if **you** or any of **your party** behaves in a threatening or abusive way to any persons providing service.

### Taxi bookings

In some circumstances it can be quicker and easier for **you** to arrange a taxi. **We** may ask **you** to make **your** own arrangements for a taxi service. If so, please send **your** receipts to **us** and **we** will reimburse **you** subject to these.

Terms and Conditions, in particular the limits set out in the 'Onward Travel' and 'Service Whilst Abroad' sections above Service Providers. Unless the services are provided by SEAT Roadside Assistance patrols or **contractors** acting on our instructions and on **our** behalf, **we** do not give any guarantee as to the services provided by:

- garages,
- breakdown/recovery companies,
- repairers,
- car hire companies and;
- other third-party service providers whose emergency services **we** arrange on **your** behalf and/or pay for under European Motoring Assistance.

Such entities do not act as **our** agents or subcontractors and **we** do not accept responsibility for their acts or omissions. **You** should check that any repairs to **your vehicle** are carried out to **your** reasonable satisfaction.

## B. Service in the United Kingdom only

### Battery related issues

**We** may in **our** absolute discretion provide the following benefits:

- Initial attendance for a battery-related issue.
- The fitting of any parts or batteries purchased by **you** prior to **our** attendance is not covered. This is to ensure that parts are fitted from reputable sources in order to avoid secondary callouts.
- SEAT Roadside Assistance will test **your** battery at that initial **breakdown** attendance. If the battery is no longer serviceable and so fails the test **you** will be advised to replace it.

## C. Service Abroad only

### Motor Insurance

**We** strongly recommend **you** tell **your** motor insurers before taking the **vehicle** abroad. If **you** do not, **your** insurance policy may only cover **you** for damage **you** might cause to other people or their property (third-party cover). This means that **you** will not be covered for any loss or damage to the **vehicle**. **Your** insurers will also need to know if **you** are towing a caravan or trailer.

### Important Self-Drive Hire Car Information

SEAT Roadside Assistance will normally try to arrange a hire car similar in seating capacity and volume to, but not necessarily the same as, the **vehicle**, if there is one available. If **you** were travelling in an MPV or similar **vehicle**, SEAT Roadside Assistance may arrange two hire cars. SEAT Roadside Assistance will only arrange this if there are two qualified drivers in **your party**. Otherwise, SEAT Roadside Assistance will arrange alternative means of transport.

Self-drive car hire arranged will be subject to the normal conditions of the hiring company – **you** will be required to enter into a **vehicle** hire contract with the relevant hire car provider, and such contract will be between **you** and the relevant hire car provider. Hire car providers do not act as **our** contractors.

The terms of such contracts will generally include limitations on driver age, driving convictions and other licence endorsements etc. The driver must also have held a full UK driving licence or equivalent for a minimum of one year (two years for France). **Your** credit card details will also be required as security for the hire and to cover extras such as a top-up of the fuel tank when returning the **vehicle**. Car hire companies insist on having credit card details at the time of booking and the card must be produced at the time of hiring the car. The name on the credit card and the name of the driver of the hire vehicle must be the same. Switch cards and debit cards are not acceptable. If **you** leave a hire car at a different location to the one arranged by the SEAT Roadside Assistance Control Centre, **you** must pay any collection charge which may be made.

Please note that many car hire companies across Europe charge a damage excess which is not covered by the collision damage waiver. In some parts of Europe, hire cars are not allowed to cross national borders. It may be necessary to arrange two hires or alternative transport to complete **your** journey. A car hired abroad must not be brought into the **United Kingdom**.

**Please note:** On mainland Europe, the rental provider may only accept credit cards for fuel and other deposits. It cannot be guaranteed that a hire car will be available. SEAT Roadside

Assistance cannot arrange the hire of motorised caravans, motorcycles, convertibles or vehicles with a tow bar, a roof rack, roof boxes, an automatic gearbox, sports cars, 4x4 or luxury class vehicles and cannot guarantee the hire of minibuses or vans. SEAT Roadside Assistance will not be responsible for any delays in obtaining a hired vehicle and cannot guarantee to provide it in time to connect with **your** pre-booked ferry, etc. **You** may have to collect a hired vehicle from the nearest available place of supply. Drivers must be at least 21 years old and have a full year's car driving experience. Special documents and tachographs are mandatory throughout the EU. For more information, contact your local Department of Transport Area Office for details.

### Repayment of credit

**You** must pay back to **us** on demand:

- any costs **we** have paid for which do not form part of SEAT Roadside Assistance as described in this document;
- the cost of any spare parts supplied.

### Spare parts dispatch

After **you** have asked the appropriate Volkswagen Group European Roadside Assistance centre to dispatch parts, **you** are responsible for paying for them in full, even if **you** later obtain them locally. **We** will arrange the dispatch of parts as quickly as possible but delays will occur at weekends and bank holidays. **We** will not be responsible for manufacturer's or supplier's errors, loss or damage of parts in transit or any delay in delivery.

### Contractors

SEAT Roadside Assistance is provided by Volkswagen Group United Kingdom Limited. **We** reserve the right to change any **contractor** (including the AA) in **our** sole discretion from time to time.

**Please note:** **Our contractors** provide services to **us** and to drivers of **vehicles** on **our** behalf. Nothing in these Terms and Conditions creates a direct contract between **you** and **our contractors**.

# Exclusions (Service in the UK and Abroad).

In addition to any limits and exclusions noted elsewhere, SEAT Roadside Assistance does not provide assistance in respect of the following:

1. Costs for anything which was not caused by the **breakdown**.

## Notes

1. Minimum age at which a visitor may drive a car.
2. UK driving licences which do not incorporate photograph are recognised but, drivers must be able to produce photographic proof of identity (e.g. passport).
3. All valid UK licences should be accepted. However, the acceptance of the older 'all green' style UK licences cannot be guaranteed. Drivers may wish to voluntarily update them before travelling abroad, if time permits. Alternatively, older licences may be accompanied by an IDP.
4. Before taking a **vehicle** abroad contact **your** motor insurer or broker to notify them of **your** intentions and ask their advice. It is important to know what level of cover **you** will have and what documents **you** need to prove it.
5. GB stickers are compulsory within the EU unless your UK registration plates display the GB Euro-symbol (Europlates) which became a legal option from 21 March 2001. The Euro plate must comply with the new British Standard (BS AU 145d). The Euro plate is only legally recognised in the EU; it is still a requirement to display a GB sticker when travelling outside the EU.
6. Not required for two-wheeled **vehicles**.
7. Although not compulsory for visiting motorists to carry a warning triangle, its use is compulsory in an accident/breakdown situation.
8. Spain: one warning triangle compulsory for non-Spanish registered vehicles; two for Spanish registered vehicles. Note: drivers of non-Spanish registered vehicles should consider carrying two triangles as, regardless of regulations, local officials may impose an on-the-spot fine if only one is available. Croatia: two triangles compulsory for vehicles towing a trailer. Switzerland: warning triangle must be kept within easy reach (not in the boot).
9. The use of hazard warning lights or a warning triangle is compulsory in an accident/breakdown situation. However, a warning triangle

should always be carried as hazard-warning lights have no effect at bends or rises in the road or may become damaged or inoperative.

10. Wearing, compulsory if driver and/or passenger(s) exits the **vehicle** immobilised on carriageway, in Italy at night or in poor visibility, in Spain on all motorways and busy roads, it must be kept within the **vehicle**. In Croatia, the wearing is compulsory whenever **you** have to get out of the **vehicle** at the roadside in an emergency. In Portugal and Norway, the actual law applies to residents; however, regardless of the regulations local officials may impose an on-the-spot fine. In Belgium, the wearing of the reflective jacket only applies to the driver, it must be worn should **you** be stranded on a Belgian motorway or on a major road or should **you** stop at a place where parking is not allowed. In France, drivers must have one warning triangle and one reflective jacket in their **vehicle**. In Austria, the regulation applies only to the driver.
11. The legal requirement is to 'not dazzle oncoming drivers' rather than specifically to adjust/convert the headlamp beam pattern. Without adjustment the dipped beam will dazzle oncoming drivers and this could result in a fine. Headlamp beam converter kits are widely available but may not be suitable for all types of headlights. The AA shop sells beam converters suitable for all **vehicles** and individual fitting diagrams are included for the latest 'clear glass', 'projector and xenon' headlamps inside the packaging. In some countries, it is compulsory to use dipped headlights at all times when driving during the day. Note: this adjustment is not required for two-wheeled **vehicles** as the beam pattern is more symmetrical but check that any extra loading has not affected the beam height. On some cars it is inadvisable or impossible for anyone other than a qualified technician to change a headlamp bulb unit e.g. high intensity discharge (HID) headlamps and carrying spares is not an option. However, it is recommended that spare bulbs are carried for any lights that may be easily and/or safely replaced by the owner/driver. Spare bulbs are compulsory for Croatia.

12. Sweden: police are not authorised to actually collect fines, which must be paid in accordance with notice instructions. Italy: police will collect a quarter of the maximum fine amount from drivers of foreign registered **vehicles**. Ireland: police are not authorised to actually collect fines, they will issue a notice which must be paid within 28 days. Croatia: the fine does not have to be paid on the spot, however, it does need to be paid within eight days. Portugal: some traffic police carry ATMs.
13. Portugal: visiting drivers of 17 years of age may encounter problems even though they hold a valid driving licence in the UK.
14. Outside built-up areas, during snow or rain causing poor visibility.
15. Compulsory during daylight hours if the visibility is poor. For France, the use of dipped headlights is recommended throughout the year, for Croatia during daylight hours from the last Sunday in October to the last Sunday in March.
16. Recommended as their carriage is compulsory for **vehicles** registered in that country.
17. Many countries now stipulate that GPS-based navigation systems which have maps indicating the location of fixed speed cameras must have the 'fixed speed camera Pol (Point of interest)' function deactivated, please check individual touring tips.
18. In order to use some Motorways in Portugal, a temporary electronic toll device (DEM) or the pre-payment of tolls is required.
19. Recommended for two-wheeled **vehicles**.
20. In principle, all drivers should possess a breathalyser, however, as of 25 January 2013 a driver cannot be penalised for not carrying one – the possibility of imposing a fine has been postponed indefinitely. The breathalyser has to be certified by the French authorities, showing an 'NF' number. The official text states that one unused breathalyser should be produced. **We** recommend that two single-use breathalysers are carried, so if one is used or damaged **you** will still have a replacement to produce.
