Servicing requirements for your Audi

Your vehicle should be serviced in accordance with Audi's recommendations. Any damage to or defect in **your vehicle** caused by poor or insufficient servicing will not be remedied under this Warranty.

If **your vehicle** has a printed service schedule booklet, please ensure it is stamped by the business carrying out the service work. If **your vehicle** has a digital service schedule, please ensure **you** have the appropriate documentary evidence such as invoices for work carried out.

IMPORTANT: If **you** fail to have **your vehicle** serviced correctly in accordance with the manufacturer's specifications during the **contract period**, or **you** are unable to produce proof of such servicing if **we** request it, then this may invalidate **your** cover or **we** may not pay all or any part of a claim **you** make.

No-claim period

If **your vehicle's** previous warranty which was provided by Audi UK or Audi Financial Services expired over 30 days prior to the start date of your All-in plan, then **you** won't be able to claim in the first 30 days of your All-in Warranty. Effectively, **you** will have 23 months where **you** can make a claim on **your** warranty.

If **your vehicle's** previous warranty which was provided by Audi UK or Audi Financial Services has expired 30 days or less prior to the start of **your** All-in plan, or if there has been no break in warranty cover provided by Audi UK or Audi Financial Services, then **you** will be able to make a claim on **your** policy for the full 24-month duration and the **no-claim period** will not apply.

This Warranty will start on the date stated in your Confirmation of Cover regardless of any other warranty you may hold with Volkswagen UK, Volkswagen Financial Services or any other party.
